

## Little SENDsations Safeguarding Policy

November 2023

### Purpose

The purpose of this policy is to protect people, particularly children, at risk adults and beneficiaries of assistance, from any harm that may be caused due to their coming into contact with Little SENDsations CIO. This includes harm arising from:

- The conduct of staff or personnel associated with Little SENDsations.
- The design and implementation of Little SENDsations programmes and activities/events

The policy lays out the commitments made by Little SENDsations and informs trustees, volunteers and associated personnel of their responsibilities in relation to safeguarding.

This policy does not cover:

- Safeguarding concerns in the wider community not perpetrated by [NGO] or associated personnel

### What is safeguarding?

In the UK, safeguarding means protecting peoples' health, wellbeing and human rights, and enabling them to live free from harm, abuse and neglect<sup>1</sup>

In our sector, we understand it to mean protecting people, including children and at risk adults, from harm that arises from coming into contact with our staff and/or programmes and events.

Further definitions relating to safeguarding are provided in the glossary below.

## Scope

- All trustees, and volunteers by Little SENDsations
- Associated personnel whilst engaged with work or visits related to Little SENDsations, including but not limited to the following: volunteers; contractors; programme visitors including celebrities and politicians.

## Policy Statement

Little SENDsations believes that everyone we come into contact with, regardless of age, gender identity, disability, sexual orientation or ethnic origin has the right to be protected from all forms of harm, abuse, neglect and exploitation. Little SENDsations will not tolerate abuse and exploitation by staff or associated personnel.

This policy will address the following areas of safeguarding [as appropriate]: child safeguarding, adult safeguarding, and protection from sexual exploitation and abuse.

Little SENDsations commits to addressing safeguarding throughout its work, through the three pillars of prevention, reporting and response.

## Prevention

### Little SENDsations responsibilities

Little SENDsations will:

- Ensure all staff have access to, are familiar with, and know their responsibilities within this policy
- Design and undertake all its programmes and activities in a way that protects people from any risk of harm that may arise from their coming into contact with Little SENDsations. This includes the way in which information about individuals in our programmes is gathered and communicated
- Implement stringent safeguarding procedures when recruiting, managing and deploying staff, volunteers and associated personnel
- Ensure volunteers receive training on safeguarding at a level commensurate with their role in the company
  - Follow up on reports of safeguarding concerns promptly and according to due process

### Staff responsibilities

### **Adult safeguarding**

Little SENDsations trustees, volunteers and associated personnel must not:

Little SENDsations trustees, volunteers and associated personnel must not:

- Exchange money, employment, goods or services for sexual activity. This includes any exchange of assistance that is due to beneficiaries of assistance
- Engage in any sexual relationships with beneficiaries of assistance, since they are based on inherently unequal power dynamics

Additionally, Little SENDsations trustees, volunteers and associated personnel are obliged to:

- Contribute to creating and maintaining an environment that prevents safeguarding violations and promotes the implementation of the Safeguarding Policy
- Report any concerns or suspicions regarding safeguarding violations by a Little SENDsations member or associated personnel to the appropriate staff member

## **Enabling reports**

Little SENDsations will ensure that safe, appropriate, accessible means of reporting safeguarding concerns are made available to members, volunteers and the communities we work with.

Little SENDsations will also accept complaints from external sources such as members of the public, partners and official bodies.

### **How to report a safeguarding concern**

Members who have a complaint or concern relating to safeguarding should report it immediately to Trustee Hayley Mason or Trustee Samantha Ferguson

## Response

Little SENDsations will follow up safeguarding reports and concerns according to policy and procedure, and legal and statutory obligations.

Little SENDsations apply appropriate disciplinary measures to trustees and volunteers found in breach of policy.

## Confidentiality

It is essential that confidentiality is maintained at all stages of the process when dealing with safeguarding concerns. Information relating to the concern and subsequent case management should be shared on a need to know basis only, and should be kept secure at all times.

## Glossary of Terms

### **Beneficiary of Assistance**

Someone who directly receives goods or services from Little SENDsations programme. Note that misuse of power can also apply to the wider community that the Little SENDsations serve, and also can include exploitation by giving the perception of being in a position of power.

### **Child**

A person below the age of 18

### **Harm**

Psychological, physical and any other infringement of an individual's rights

### **Psychological harm**

Emotional or psychological abuse, including (but not limited to) humiliating and degrading treatment such as bad name calling, constant criticism, belittling, persistent shaming, solitary confinement and isolation

### **Protection from Sexual Exploitation and Abuse (PSEA)**

The term used by the humanitarian and development community to refer to the prevention of sexual exploitation and abuse of affected populations by staff or associated personnel. The term derives from the United Nations Secretary General's Bulletin on Special Measures for Protection from Sexual Exploitation and Abuse (ST/SGB/2003/13)

### **Safeguarding**

In the UK, safeguarding means protecting peoples' health, wellbeing and human rights, and enabling them to live free from harm, abuse and neglect<sup>2</sup>

In our sector, we understand it to mean protecting people, including children and at risk

adults, from harm that arises from coming into contact with our staff or programmes. One donor definition is as follows:

Safeguarding means taking all reasonable steps to prevent harm, particularly sexual exploitation, abuse and harassment from occurring; to protect people, especially vulnerable adults and children, from that harm; and to respond appropriately when harm does occur. This definition draws from our values and principles and shapes our culture. It pays specific attention to preventing and responding to harm from any potential, actual or attempted abuse of power, trust, or vulnerability, especially for sexual purposes.

Safeguarding applies consistently and without exception across our programmes, partners and staff. It requires proactively identifying, preventing and guarding against all risks of harm, exploitation and abuse and having mature, accountable and transparent systems for response, reporting and learning when risks materialise. Those systems must be survivor centred and also protect those accused until proven guilty.

Safeguarding puts beneficiaries and affected persons at the centre of all we do.

### **Sexual abuse**

The term 'sexual abuse' means the actual or threatened physical intrusion of a sexual nature, whether by force or under unequal or coercive conditions.

### **Sexual exploitation**

The term 'sexual exploitation' means any actual or attempted abuse of a position of vulnerability, differential power, or trust, for sexual purposes, including, but not limited to, profiting monetarily, socially or politically from the sexual exploitation of another. This definition includes human trafficking and modern slavery.

### **Survivor**

The person who has been abused or exploited. The term 'survivor' is often used in preference to 'victim' as it implies strength, resilience and the capacity to survive, however it is the individual's choice how they wish to identify themselves.

### **At risk adult**

Sometimes also referred to as vulnerable adult. A person who is or may be in need of care by reason of mental or other disability, age or illness; and who is or may be unable to take care of him or herself, or unable to protect him or herself against significant harm or exploitation.
